## Career Objective

---

Front-End Developer with real-world experience in HTML, CSS, JavaScript, and React.js. Freelancing on live projects, including a website for Carmel Bible College. Completed a data science internship at Tenzotech. Self-taught, fast learner, and seeking a full-time developer role.

## Experience

---

### Front-End Developer

Freelance (Mar 2025 – Present)

As a freelance front-end developer, I build user-friendly websites using HTML, CSS, and JavaScript. I focus on clean design, performance, and mobile compatibility, collaborating with clients to provide effective web solutions.

### Data Science Internship

Tenzotech Kochi, Kerala (Dec 2023 – Jun 2024)

During my internship at Tenzotech, I gained practical experience in data preprocessing, model development, and performance evaluation. I also honed my skills in Python, TensorFlow, scikit-learn, and data visualisation tools.

## Skills

---

- HTML, CSS, JavaScript, Bootstrap and React
- SQL (SQL Server, MySQL, Google BigQuery)
- Python (Pandas, NumPy, Seaborn, Matplotlib, TensorFlow, Keras, sci-kit-learn, Deep Learning, CV, NLP)
- Tableau, Power BI, Looker Studio
- Excel (VLookup, Conditional Formatting, Pivot Tables, Power Query)
- Git and GitHub

## Projects

---

### CARMEL BIBLE COLLEGE (Client Project) [Project Link](#)

- Developing a responsive website using HTML, CSS, and JavaScript to showcase the college's programs and information.
- Implementing features like a contact form and gallery to enhance usability and user engagement.
- Ensuring cross-device compatibility and clean UI design based on the client's branding guidelines.

### PORTFOLIO WEBSITE [Project Link](#) [Website](#)

- Designed and developed a personal portfolio website to showcase skills and projects.
- Utilised HTML, CSS, and JavaScript to build a responsive and interactive user interface.
- Highlighted front-end development expertise through well-structured content and visuals.

## Education

---

FREE CODE CAMP RESPONSIVE WEB DESIGN [Certificate Link](#)

GOOGLE DATA ANALYTICS PROFESSIONAL (October 2022) [Certificate Link](#)
